The Mount Vernon College Yearbook Staff would like to dedicate the 1980-1981 *Phoenix* to Melinda Bordelon and Rosemary Ferrigno. Without their guidance and assistance there would not have even been a yearbook. Rosemary, as Director of Student Activities, is a very busy woman but she managed to organize a yearbook staff, get things rolling, and then she was always there to help the staff work out problems. Melinda, as the Photography teacher, was an immense help to the Yearbook photographers as well as a technical advisor to the staff. They are both newcomers to Mount Vernon but their contributions are already felt and appreciated.

## “VARIETIES”

It is a tradition here at Mt. Vernon, but a dreaded one. On Friday, October 17 at 6:15 p.m. the Freshmen were locked in the gym to organize and practice skits that were going to be performed on Saturday night and the pressure was on.

If successful the upperclassmen would approve the performance and there would be no more signing in, curfews or trash duty. Luckily the Class of 1984 succeeded and their skits were approved. Whew!

# "THE FOLLIES"

An interesting mixture of talent and just plain fun, the Follies exhibited the talent in many Mount Vernon students. The Judicial Board and Curtain Callers put in many hours to pull all of the acts together and everyone involved presented a production far more elaborate than a talent show. It was a fun night and a vital contribution to Mount Vernon.

# FOUNDER'S DAY

The Mount Vernon birthday party is always a celebration. It was MVC's 105th and many helped to organize and make the birthday party a success.

Marta Istomin, Artistic Director of the John F. Kennedy Center for the Performing Arts, was the special guest of the college and spoke about her career and the values of the Arts.

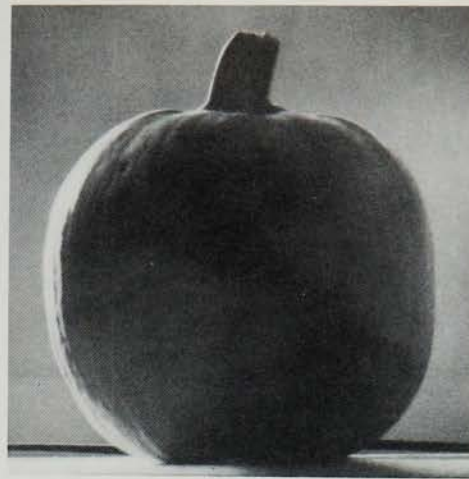

# HALLOWEEN!

# BIG-SISTER LITTLE-SISTER

The Big-Sister/Little-Sister program was new this year. Alexa Scott, Joan Riley, and Nancy Robbins got it started with a pool party at the beginning of the year. The program allows for upperclassmen to help freshmen with their first year at college. Throughout the year, the "sisters" held parties in the pub and the Thanksgiving party was one.

# MARILYS ERNST PERFORMS

Marilys Ernst graduated in December but before she left Mount Vernon, she performed much of her music at a very special farewell party in the pub. Marilys was the director of the Curtain Callers and her musical talent was a great asset to Mount Vernon.

# WINTER WEEKEND

The Social League sponsors two big weekends at Mount Vernon, one in the winter and one in the spring. The Winter Weekend this year was a huge success. A "Roaring 20's" party started it off, a formal dance at the Pension Building the next night, and a McDonald's brunch in the pub brought the weekend to a close. Mt. Vernon students start thinking about dates in September and the guys come from all over!

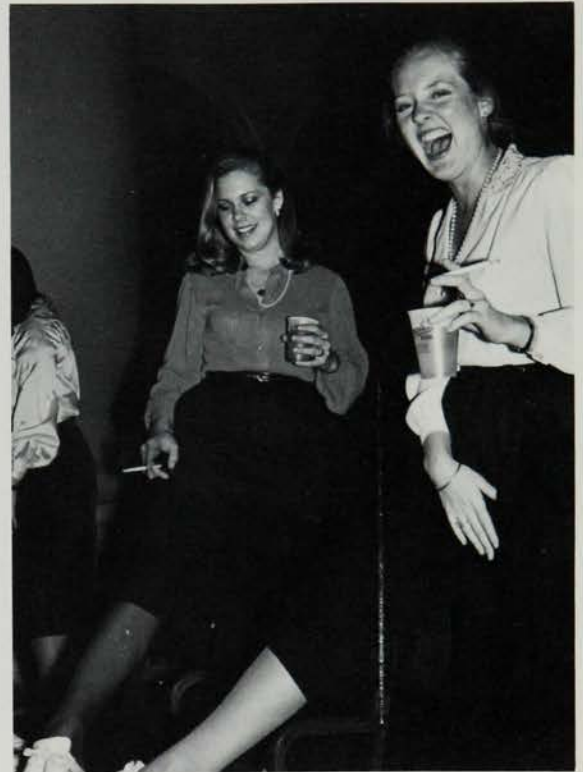

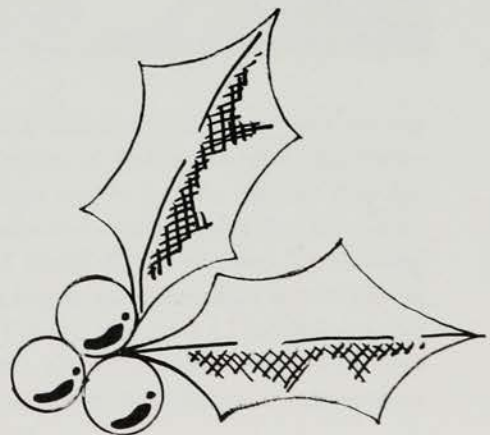

# CHRISTMAS!

Before everyone goes home for Christmas vacation it is always a treat to have a Christmas celebration and the Chapel Committee organized it this year. Phil Bolton read a Christmas story, students sang along with a Gospel Choir and the antics and wonderful harmonies of the Georgetown Chimes all made Mount Vernon's Christmas very special.

The Beacon Honor Society, which is made up of the students with honorable academic achievements, sponsored a Christmas party for the Maintenance staff at Mount Vernon. It was a very special party and got everyone in the Christmas spirit.

The Black Alliance Club is a very strong organization at Mount Vernon. Its members raised money for the Atlanta slayings case, collected canned food for the poor, honored Black History month by inviting notable black speakers and musicians to Mount Vernon and held a Christmas party for foster children. This party was very special and gave the children a true sense of Christmas.

The International Club is an organization of the many foreign students at Mount Vernon. Throughout the year they held elaborate dinner parties like this one at Christmas, which featured delicious international cuisine.

## “THE ODD COUPLE”

## SPECIAL EVENTS AT

Celebrity Bartender Night featured the talents of Pat Balan, Bob Gustafson, Dr. Judith Weiner, and Sally Donnor among others, and was a lot of fun for all the Pub regulars.

# THE PUB

Once a month the Pub Entertainment Committee (PEC) sponsored a number of Coffee Houses with live mellow music. The music was quiet and relaxing and it was a great break from studying and the regular bars in town.

## CONVERSATIONS WITH ...

Conversations With ... is a special program where notable guests are invited to speak in Post Hall on issues pertaining to Mount Vernon students. There were often interesting discussions that inspired all who attended.

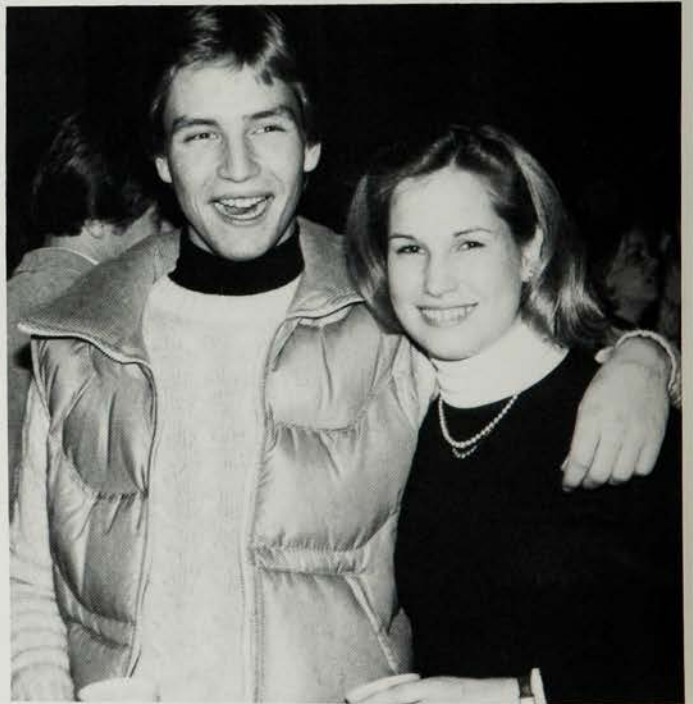

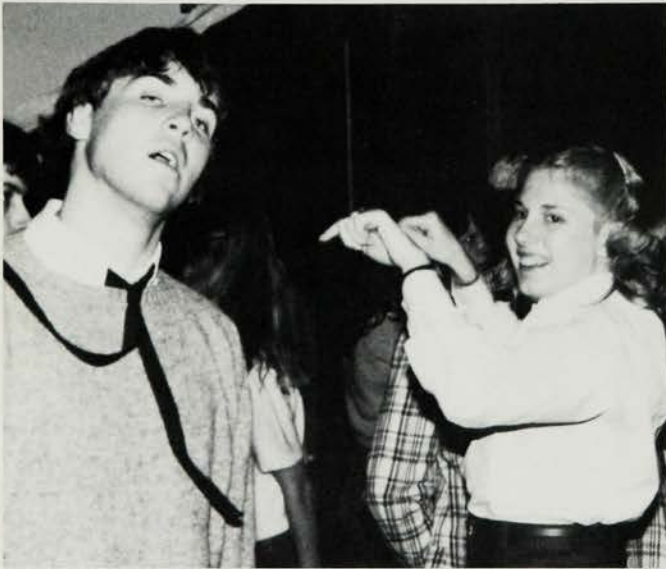

## AND THEN THE PARTIES!

What is the MVC Quad for? PARTIES! And every nice Sunday during the fall and spring the Social League proved it! The quad parties this year were always successful and a lot of fun. There was plenty of beer, tunes, and sun. Some of the dorms held parties too, and were equally successful.

## DORM LIFE

---

---

# CLARK

Although Clark is not the largest dorm on campus, it was full of surprises this year. Judy Sessions, the house resident was frequently heard yelling, "It's quiet hours!" Could that be related to her library position? The girls who lived here had very clean ankles due to the flooding showers, and that wonderful fire drill at 5:00 a.m.? It's been a great year!

Lisa Corigliana, Marina Bertuzzi, Amy Scarbrough, Kris Feroletto, LeAnn Pieper, Maggie Day, Pamela Geiger, Julie Pettibone, Bonnie Arsuaga, Bernadette Smith, Helene Pastolove, Suzanne Bassett, Margaret Kistler, Kim Scott. Missing — Lisa Rosenthal, Elizabeth Bowen, Donna Diaz, Sayeh Ojahanbanooi, Sarah Kenny, Kristen Scanian, Victoria Schulz, Bernetta Smith, Stefanie Staley, Kim Stallings, Ruyaporn Tohtona, Catherine Pringle, Mary Kate Hooke

# HENSLEY

Known for "Hensley Beach" the girls in this dorm somehow found this location much more interesting than their afternoon classes! Many can remember Linda's procrastinators club (which some of the members even procrastinated going to), the Hensley Health Club, Christmas party with the Pres, and Chinese New Years at her house. And of course, don't forget Linda's wonderful study breaks and popcorn.

Stacie Menechino, Cathryn Kishbaugh, Letitia Radford, Nancy Robbins, Michael Wall, Nan Hiltabidle, Boo Knuckley, Phyllis Havenstien, Sizamme Skloff, Elizabeth Watts, Maggie Conner, Lisa Golov, Leslie Braun, Brenda Reighard, Kathy Niepold, Shannon Porter, Becky Altaker, Tina Bodemer, Catherine Clark, Tara Coughlin, Gina Nuthman, Karen James, Katherine Ratliff, Suzanne Bonzall. Missing — Debbie Allen, Mary Anne Bennett, Justine Bodemer, Diane Busby, Linda Brown, Joanna Floyd, Pamela Gatz, Alexa Georges, Tara Kissane, Pusadee Kophet, Mary Lemacks, Karen Pippa Marlgren, Tracy Nelson, Dina Rice, Carolyn Scuderi, Celeste Sweeney, Mary Thomasson

# MERRIWEATHER

Tracie Smith, Mary Vermette, Janet Kielly, Jodi Maran, Laura Griffin, Sarah Richards, Abby Hill, Liz Smith, Steve Riley, Debbi Johness, Julia Dyer, Susan Corney, Kris Pucher, Marti Strum, Virginia Turner, Vicki Straub, Joanna Renwinkel, Monica Sims, Nancy Epstein, Roxana Rios, Julie Lansill, Joan Riley, Randi Miller, Nancy Bloom, Ann Willard, Andi Leithoff, Kathy Strodel, Pam Pachino, Linda Spragins, Ann Shoemaker, Natasha Muchette, Amy Jernigan, Melissa Wells, Leslie Wildprett.

Girls living in Merriweather were full of spirit this year, and although they didn't win the volleyball game they certainly outdid themselves in the dorm Christmas decorating contest. If anyone needed company at night Leslie's bedmate Mark came to the rescue!

# COLE

Cole dorm was MVC's movie house this year and many girls attended, especially Sarah Paschall. Jessica's room wasn't the cleanest thing around but Michelle Noble thought it was "fine"! The girls in this dorm had a lot of fun this year — a little wild to say the least!

Jessica Rosenblatt, Tammy King, Lauren Gama, Robin Payton, Karin MacDonald, Stephanie Jackson, Pamela Jordan, Kim Buswell, Melissa Hopkes, Lisa Dowswell, Robin Hensley. Missing — Patricia Carter, Page Curtice, Caroline Cunningham, Julie Elovich, Jamie Mauricio, Sara Masters, Michelle Noble, Mary Petrazzolo, Patricia Reardon, Jacquelyn Roberson, Beverly Schaefer, Gregg Snook, Katherine Sherrill, Sarah Smith, Helene Stowe, Rebecah Staup, Indra Sutono.

# AMES

Rumor has it that Ames dorm is known as the study dorm — but this could definitely be questioned. Instead of screaming quiet hours, the residents here yelled when they were over! Luckily, Jeanie Falinskie was close by when the Ames Hallway basketball team played. Sandra Bensaude went so crazy with all of this that she took off for the Bahamas! Who says bigger is better? Ames obviously begs to differ.

Jeri Sue Arledge, Emily Helzberg, Houra Rais, Gianina Quisumbing, Laura Arellano, Barbara Allen, DesNeiges Terrien, Sandra Bensaude. Missing — Angela Beverly, Robin Burton, Felecia Johnson, Maria Sauto, Alicia Taylor, Ramona Younger.

# SOMERS

Somers dorm had an interesting year. Remember that Zate fraternity party? And what about the kissing bandit who made its mark all over the dorm or the thief who stole everyone's blue jeans from the laundry room? Nevertheless, a new kitchen and an electronic game were installed and with them came the Scarsdale and lets just say, new found talents?

Pam Lazor, Dawn Sherman, Allison Agostini, Deborah Schuster, Maryam Kupay, Sarah Squyres, Florence Bickel, Simone Carsom, Mallory Morris, Peggy Probst, Becky Rhoads, Penny Oliver, Linda White, Jane Sherrill, Barbara Hutchinson, Chandler Berryman, Eugenia Slowinski, Clay Garnett, Lisa Fowler, Rita Hughes, Lisa Krohn, Lisa Booger, Claire Jones, Charlotte Grier, Leslie Paraskevas, Amy Beckwith, Bonnie Bleakney, Robin Von Maur, Maria Santos, Nermeen Murad, Brenda Murphy

# PELHAM

Barbara Hughes, Polly Tompkins, Barbara Jean Martin, Susan Jacoby, Lee McDaniel, Patricia Phillips, Janet McDonough, Therese Gerdon, Douglas Wales, Patricia Lap, Isabel Benitez, Robyn Crabb, Heidi Hoff, Catherine Troutman, Weezie McCloy, Ellen Cahill, Basma Al Shariff, Poranee Kambhu, Mary Taylor, Patrice Mulderig, Jeannette Ann de Stegge, Susan Stinson, Peggy Ruckle, Poom Kambhu, Miriam Contreras, Iliana Ornes, Wynter Byrd, Laura Glass

# EAST and WEST

Far away in the distant hills of Mount Vernon's campus await the intertwining halls in the architectural wonder of Pelham dorm. In these halls, reside the students who chose to opt for a little "privacy" What they got were good legs from trekking back and forth to classes! There were advantages to living in Pelham tough, like those great porch parties that are unique to that dorm. And the cookouts whose smells drove everyone crazy. Then there were the baby powder, shaving cream and water battles.

The continuous supply of popcorn during finals was as great as were the goodies at the dorm study breaks and the drinks at the cocktail party. What about the night the screams in the woods brought police and helicopters descending upon the dorm. And who can forget lovable Ryan and his nightly visits or his pull toys that went "quack" in the night. Memories of life at Pelham will last a long time but does anyone really believe that its leaky roof will last another year?

# ADMINISTRATION

Dr. Jane Evans  
President

When Dr. Jane Evans spoke at Convocation in September, it seemed as if the year 1980-81 was going to be very promising — and it was. Although the first year can be difficult for a new president of a college, Jane Evans has done a fantastic job. Because she has taken the time to get to know Mount Vernon, its students, faculty, administration, and staff, Jane Evans has gained a wonderful insight about the school, its goals, needs, and achievements. With her fresh enthusiasm and vitality, Mount Vernon can look forward to many exciting and fulfilling years ahead.

SPRING

## MORE PARTIES!!

Spring is a great time for parties and there were lots of good times on the quad this year. Plenty of beer and tunes were sure attractions for guys from the area schools — not to mention the shorts!

The Senior class bought two round-trip tickets to the Bahamas and everyone brought a suitcase to the party. One lucky person won those tickets and took off for the sun. Sandra Bensaude was the fortunate one this year. Did she ever come back? If so, WHY?!

SPRING  
WEEKEND

This year's Spring Weekend included a party in the dining hall and a brunch but the highlight of the weekend was a night-cruise on the Potomac. Cool (!) breezes aside, it was a great time for all.

# SPRING CARNIVAL

The Spring Carnival was a huge success and everyone had a great time. There were rides for the kids like the Moon bounce and the clown car, and some of the booths included a goldfish toss, dart booth, dunking booth and a betting wheel. Ballons were sold by one dorm while another raised money by throwing pies for a price (a big "hit"!)

There were craftspersons, a flea market, bake sale and other features. There was lots of food but Bob's Famous Ice Cream and beer were the big sellers. It was a lot of fun and money raised will go for a good cause.

# THE OLYMPICS

Why does the faculty persist in submitting themselves to the agony of defeat? They do a great job of teaching but when it comes to strategy, they better try again!

## AWARDS!

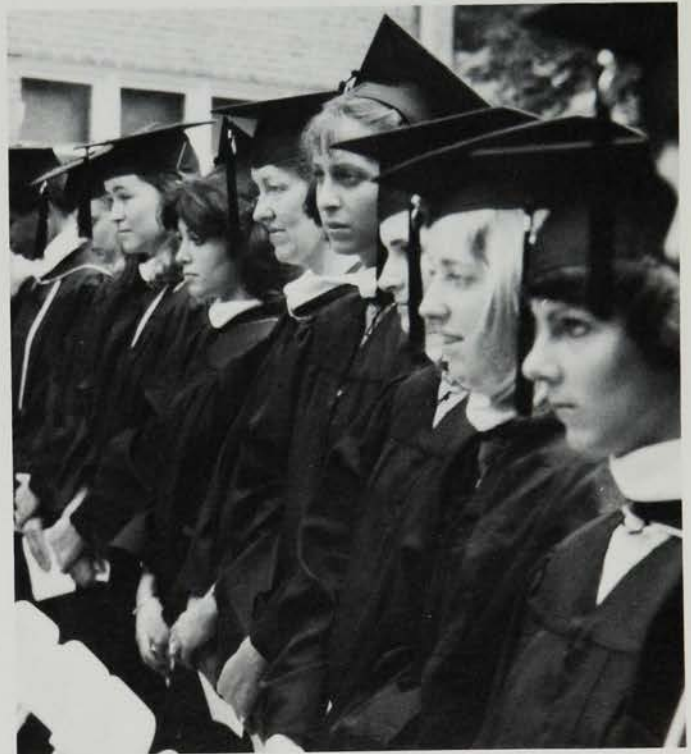

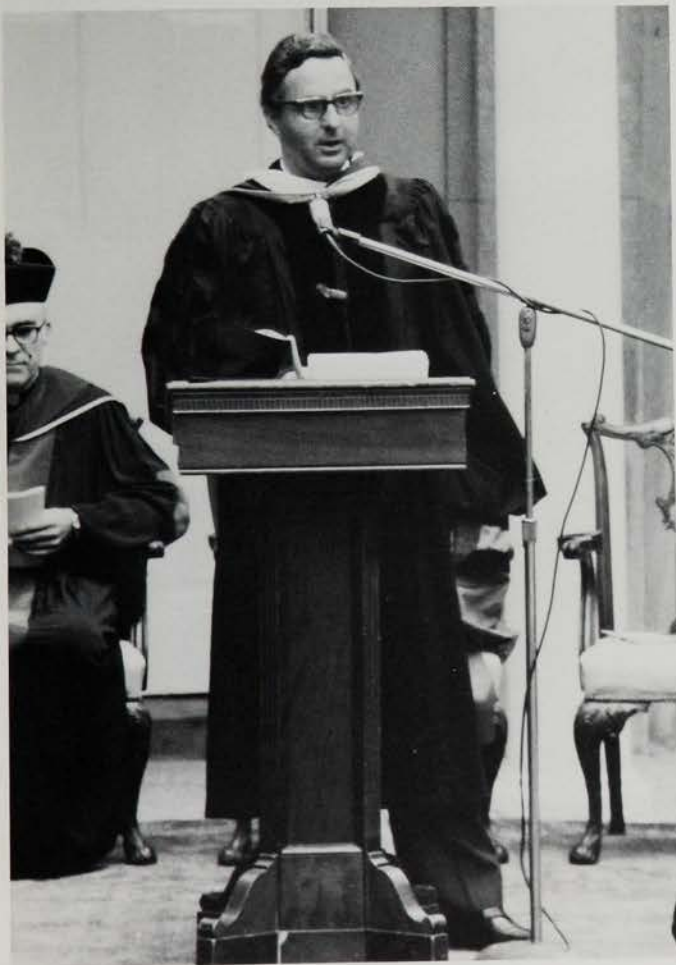

The annual Awards Luncheon is a time when outstanding seniors and underclassmen are honored with various awards. The Dean's List is announced as well as the new members of the Beacon Honor Society and Alpha Chi. Congratulations to all.

# CONGRATULATIONS

# CLASS OF 1981

Saying that a yearbook is not an easy thing to put together, is definitely an understatement!! But somehow, through all of our inexperience, frustration, and worry, we did it! And now that our job is finished, we hope that the 1980-81 Phoenix will hold many memories that you will treasure now and in years to come. In that way, it has all been worth it.
